

SPOONS

EFFZETT® SLIM STANDARD

When distance counts and the water is fast flowing the EFFZETT® SLIM is the ideal spoon. Its aerodynamic shape makes it ideal for long-range casting. With gently meandering movements it entices sea Trout and salmon just as effectively as it attracts zander and pike.

ORIGINAL HEINTZ SPOON

The wobbling movement and the special suspension of the Trout double hook are the secret behind over sixty years of uninterrupted success. It makes the fish believe seeing an attractive prey.
