

Pike fishing in Sweden

Mälaren fishing camp

7 nights /6 fishing days

The location:

The lake Mälaren is the third biggest lake in Sweden with a total surface of more than 115000 hectares, a variety of structures, islands and bays all so favorable for pike fishing.

While fishing, you can observe a huge amount a migratory and residents species of birds, a good amount of our guests have already had the surprise to see an elk swimming through the bays until the next island or otters and beavers at work !

We fish an area of approximately 10000 hectares located in the center of the lake with a lot of big bays bordered with reeds, shallows in the deeps, breaks, some channels and bridges very interesting for fishing.

This lake is located 45 mn driving from Stockholm Arlanda airport and 1h30 from Skavsta airport

The fishing:

The kingdom of the pike with a lot of fishes over 1 m every year.

We also catch beautiful asps (more than 5 kilos) and zanders or perches if we choose to fish them

You can fish with lures, live baits, mort manié, fly fish

Les spécialistes des "Big Baits" se régalaient en pratiquant au Jerkbait , Swim bait , gros leurres souples pour traquer uniquement les brochets records .

The fishing season:

Fishing starts mid-April and ends early November

The accommodation:

Your accommodation is a comfortable and big traditional Swedish house located by the lake (10 meters from you pontoon) ; a big kitchen with all facilities as electric oven with plates, dish washing machine, fridge and freezer, micro wave etc..., a lounge with satellite TV, a dining room, 5 double bedrooms, 2 bathrooms, 3 toilets, sauna with shower inside, a nice wooden terrace with barbecue

The boats:

Qintrex Aluminium 390 boats, "Bass-Boat" range with fishing platforms at the back and at the rear, 15 hp engine, electric engine, security kit, anchor, life jackets, paddles, colour GPS/fish finder with the map of the lake and detailed charts.
